

## **Donor-Advised Fund Checklist for Advisors**

We understand that charitable giving is an important part of a donor's overall financial plan. That's why we have created this checklist for advisors who want to help their clients give from a donor-advised fund (DAF) to Grove City College

- Speak with your client about how they might like to designate their gift according to what they are passionate about. Our team can provide a list of initiatives and impact areas that match your client's interests.
- Determine the best way for your client to structure a gift from their DAF. Depending on the size of the gift and the project they would like to support, donors may want to consider a combination of outright gifts and multi-year pledges.
- Ask your client if they would like to make Grove City College an ultimate beneficiary of their DAF. Doing so will allow them to create their legacy of caring support for their community.
- When coordinating a grant to Grove City College with your client's DAF custodian, please reference the following information:

Grove City College

Phone: (724) 458-2992  
Email: [PowellBM@gcc.edu](mailto:PowellBM@gcc.edu)
